2021 Ontario Championships
Format Explained

Competition format is based on several factors: A) limit of participants in a gym B) tendency to create a lot of matches for each player C) making top 12 players playing similar format whenever possible (main draw to consist of 4 gr x 3 players + playoff).

Number of participants per event and previously announced schedule has resulted that in MS, U15, U13, O40 and Class 3 we have additional stage - qualifications. That will result in large number of matches per each participant.

Class 6 - Because it starts in Saturday morning there is not possible to organize qualifications. Instead, we have created consolation event for all players losing in first round.

Men's Singles

Number of players	31	
In Qualifications	19	6 RR x (3-4) players
Advance to main draw	12	Top 2 from each group
Direct to main draw	12	
Main draw - group stage	8 groups x 3 players
