In 2021 Ontario won Jacques Walden trophy as a best province in youth categories. Team performance is key element to defend the trophy.

List was made by Ontario Team Coach Eugene Wang based on:

- Ontario Ranking List
- Team needs to optimize performance and win Jacques Bobet Trophy (in cases where players qualifies by ranking in more than one age category)
- Nature of Corbillion format (A-X, B-Y, doubles, A-Y, B-X) where all four, three or only two players will get chance to make the roster in each match.

Team coaches are selected based on players' club affiliations in each team.

Training Camps will be organized from June 20th as a combination of group and club training. All team members are expect to attend at least 6 days training camp. Expected costs are \$25-\$28 per hour with 4h a day.
