ONTARIO TABLE TENNIS

LETTER OF CAUTION TO ATHLETES

Dear athlete,

Ontario Table Tennis Association (OTTA) has been made aware of several recent incidents involving displays of poor sportsmanship, including refusal to shake hands after a match.

All OTTA participants, including athletes, are expected to conduct themselves according to the standards set out in our Code of Conduct (the "Code"). Incidents of poor sportsmanship may be considered a violation of the Code.

Violations may result in a complaint being filed, and possible sanctions being imposed under our Discipline and Complaints Policy.

CANADA WINTER GAMES

As the selection process for the Canada Winter Games is underway, athletes from clubs across the province may be selected to represent Ontario at this competition. This means that athletes will be required to:

- Attend meetings together
- Share rooms
- Share transportation
- Practice doubles together
- Watch matches together

Poor sportsmanship among and between members of Team Ontario will not be tolerated. Violations of the Code and the resulting sanctions may include being removed from the Canada Winter Games.

We require that you confirm that you have read and understood the standards as set out in the Code. Please return the signed acknowledgement to us.
